- 
25. Additional explanations, comments, pictorial, graphic material and other important information about the Collective Investment Undertaking's activity that had an influence on the Undertaking's changes of activity and results.

COVID-19 impact: 2020 March 14 at an extraordinary meeting, the Government of the Republic of Lithuania decided to establish the third (full readiness) level of readiness of the civil protection system in the entire territory of the Republic of Lithuania and to announce quarantine throughout the territory of the Republic of Lithuania. Detailed information on the potential impact of COVID-19 can be found in the Company's Audited Financial Statements.

In addition, as the Fund's return and its main controlled business are related to the retail sale of food products and daily demand goods in the market of the Republic of Belarus, we must assess the risk taking into account the specifics of the local market. The latter does not introduce universal quarantine, unrestricted entry of persons from abroad, but checks at all arrivals at airports and border posts. Officials of the Republic of Belarus announce control of pandemic Covid-19, number of infections and diseases detected in one day decreases (reference to statistics published by the World Health Organization: <https://covid19.who.int/region/euro/country/by>)

To date, the turnover and sales of the trading network managed by the fund are stable, there is no significant deviation from the last 5 months (calculating the average daily turnover), no shortage of goods or critical supply disruptions are observed. The management of the retail chain has taken adequate prevention measures to ensure the sustainability and continuity of the business during a virus pandemic.

The presidential elections in the Republic of Belarus took place on August 9, 2020. Different treatment of voting results by different groups in society has led to the disagreements and protests. As of the date of signing this report, the above-mentioned events did not have a significant material effect on the current financial results of the Fund's business.
